

## 28 Inch Illuminated LED Guides

**Buyers Part Number:** 1308128

**Buyers Products Illuminated LED Guides let you see your plow or bumper at dawn, dusk, or dead of night. Unique, eye-catching, and practical.**

- Patented light-up design makes it easier to see your equipment in low visibility conditions.
- Most plow applications require the Horizontal Adapter Kit (1308126--sold separately) in order to mount on the outside plow rib. See listing below.
- Includes wiring harness that is 12 ft per side with a pre-terminated male bullet connector and ring terminal to connect to the LED guides.
- Unique, eye-catching look helps your truck stand out from the competition.
- Easy wiring and installation that only requires a few basic tools.
- Compatible with most snow plows and truck bumpers.
