

BX88235 / BX88241

10,000 lb Drop Receivers

Installation Instructions

Drop Receiver towing capacity is rated for Class IV (10,000 lbs).

Installation:

1. Slide the drop receiver into the receiver hitch, insert 5/8" pin through receiver, and insert clip into pin.

Note:

The BX88224 Immobilizer II will **not** work on the BX88235/BX88241 drop receivers.

CUSTOMER SERVICE COMMITMENT

Blue Ox® is committed to providing you with exceptional customer care throughout your lifetime with our products. Our team is here to assist you with any questions you may have regarding the performance of your product. Simply call (402) 385-3051 and you can speak with our customer care team.

Additionally, please visit our website to see which rallies our Destination America team will be attending. For a nominal fee, our service technician will service your towing system to ensure it's in proper working condition. Also, as a commitment to our customers, should you visit our factory, you can stay at our full service Blue Ox® campground at no charge along with enjoying a factory tour.

Again, thank you for being our customer and for the confidence you have shown in the performance of our products. It is because of customers like you we enjoy the success we have today.
